*Handelsona and the children
of Rescue One wish you a
very blessed Christmas.*

A Note from Sister Daniella

Sister Daniella has been a coordinator in the Rescue One program since its inception in 2004. We are grateful for the tireless love and devotion she has given to the children. She is passionate about giving child rearing tips to their parents. Your gifts enable her and the other members of our Haitian team to show the children that they are loved.

*Since 2004, I Daniella Narcisse Jeanty have been Coordinator of the Rescue One ECEH (Community church) program. **Words fail me to express my gratitude for your dedication, love and loyalty to the children of the Foundation.***

Thanks to your collaboration, our young people and children attend the best universities and schools in the country, receive school supplies, books and uniforms, eat a hot meal every day and see a doctor when necessary.

***We continually pray that God, in His infinite love and great mercy, will pour out His rich blessings on you, my brothers and sisters in Christ.** I was really impressed by the way you showed compassion by following Jesus' example in reintegrating Samina and Chandeline so that they could learn a profession*. This should enable them to understand that it's always possible to move forward and never stop on the path.*

It's a privilege to be part of this great and beautiful family that is the Fondation Michée. May you be blessed and continue to be a source of blessings for all those around you.*

*These students needed a second chance to reach their potential

This month we are featuring statements from our RO family in Haiti who are grateful for our ministry. In their own words, you can see what an enormous impact our program is having as it brings the Light of God's love to Haiti.

*In Haiti, the Rescue One Foundation is known as Fondation Micah, or Fondation Mlchee in French.

*Board of Directors: Dan Rinzema, Nancy Tuit,
Jody Vogelzang, Bill Warners, Carol Woltjer*

A Note from Jimmy

Jimmy is part of the YEP (post high school) program. His testimony sums up the impact that our program has on the youth in Haiti.

To the people behind the Rescue-One Foundation and to our donors,

I would like to take a moment to express my deep gratitude and appreciation for all the years of invaluable support you have given me and continue to give me. Your impact on my life, from classical school to university, cannot be adequately expressed in words.

Without your invaluable assistance, fulfilling my academic dreams would have been a monumental task. I was born into an economically disadvantaged family of three (3) children, where every penny counts. Your generosity has eased the financial burden on my shoulders, allowing me to focus on my education without the shadow of financial uncertainty. Your support gave me a chance to succeed that I would never have had otherwise.

It's thanks to God and the Foundation that I'm now about to graduate with a degree in civil engineering. The opportunities you have given me have changed my life immeasurably. You've given me the chance to realize my potential and work towards a promising future.

*Your commitment to education is truly exemplary. You've done much more than simply fund my tuition. **You have invested in my future, empowering me to become a better person, a passionate learner and a future professional in my field.***

I want to emphasize that your support has had an impact that endures, and that I am determined to honor the trust you have placed in me by continuing to work hard and give my best. I am honored to be part of the Micah Foundation family and hope one day to be able to give back to others what you have given me.

Thank you from the bottom of my heart for all you have done and continue to do for me and so many others. You are a catalyst for positive change in our lives, and I couldn't be more grateful.

The Micah Foundation's* impact goes beyond the material aspects of my life. Its commitment to spiritual development has played a crucial role in my spiritual growth. *The spiritual activities that leaders have often organized (summer camps, retreats and YEP meetings) are always moments of deep reflection, spiritual growth and inspiration..*

The Foundation is more than just a source of financial support; it is a source of light in my life, illuminating my path academically, spiritually and humanly.

My life is blessed and transformed thanks to you, and I carry your influence with me every day.

With immense gratitude,

Jimmy (on right and below) is in his final semester in a civil engineering program.

Pray that Jimmy and other YEP students will be able to complete their programs and graduate and find employment.

Prayer Corner

- Please pray urgently for the safety of all of our Haitian partners as they go about their work under very dangerous conditions.
- Pray that the students will have safe travels to and from school and that they will feel safe enough to be able to learn.
- Pray for our Haitian team as they plan for Christmas with the children. They desire to emphasize the meaning and importance of Christmas in a Christian manner.
- Give thanks that all 9th graders have passed their exams and will move on to high school. Pray for the high school students: 2 will retake their exams in December so they can move on to the YEP.

An Invitation

Wouldn't you like to be a part of the team that enriches the lives of students like Jimmy? We are looking for additional board members from the West Michigan area to deepen our impact. Most meetings are via Zoom, some are in person. You can volunteer by emailing nancygt@sbcglobal.net.

The Rescue One Board **thinks you** for your compassionate and generous support. Rescue One is a small light bringing God's grace into the lives of 87 Haitian children. Your check can be made out to the Rescue One Foundation, a 501(c)(3) corporation. Donations can be sent to PO Box 8174, Grand Rapids, Michigan, 49518 or you can donate by PayPal on our website. All contributions except for printing and mailing costs go directly to Haiti.
